

CUMLAUDE INSTITUTE
Preparing for a brighter future ahead

About Us

Cumlaude Institute is an accredited Skills and Development Training Provider that is 100% Black owned. We specialize in Quality Management System (QMS) Implementation and research; we are also a QCTO accredited Training Provider. We offer Internship Programs to graduates and Learnership Programs to the youth of South Africa. Our goal is achieved through, among other initiatives, disability mainstreaming and inclusion, as well as advocacy for the recognition of people with disabilities. Clients and stakeholders can reach us at our Head Office, located in QwaQwa (Phuthaditjhaba).

Cumlaude Institute Vision & Mission

Vision

Our cornerstone is market knowledge and a wide business network, upon which we build customized interactive platforms to provide high-quality services that cater to our broad customer base. Our business is distinguished by quality, customer service, and trusted values. We maintain our passion for the continuous improvement of processes, quality, and customer-related services.

Mission

Our goal is to provide excellent customer service to our clients and partners by giving them a central role in the business, treating them with respect and integrity. We aim to deliver quality service on time and at the convenience of our clients. Additionally, we are committed to training young men, young women, and people living with disabilities who wish to operate in the same industry as us. Our vision is to become a significant service provider.

Overall Industry

We are in the Skills and Training development industry, where we provide Internship and Learnership Programs to our stakeholders, offering a professional learning experience that includes meaningful, practical work related to their field of study or career interest.
